Changes to Tennis Court Booking

October 10, 2024

Dear Community Members,

We're excited to announce some important updates regarding our tennis court booking system!

Previously, we used Appointlet for reservations, but we have now transitioned to **Microsoft Bookings**. This change will streamline the booking process and allow us to accommodate reservations for both tennis courts more efficiently.

Important Note

We've noticed that once the lower court is booked, the upper court's time slot becomes blocked as well. This is the reason for our change in the booking system—to ensure fair access to both courts.

How to Book

To reserve a tennis court, please click the link below:

Or go to our webpage:

We appreciate your understanding and cooperation as we make this transition. If you have any questions or need assistance, please feel free to reach out.

Happy playing!

Best regards,
